# WHAT'S GOING ON

## **ALPHA NEEDS YOU!**

The next Alpha course is due to start in February.  
This session we will have two courses running starting  
Wed 17th February and Sat 20th February.

### **How can you be involved?**

Think and pray about who you could invite to come along and pass their details to Simon & Joanne. What about you....have you always thought about doing the course but not quite got round to it? Sign up for the next course.

We need team workers on a Wednesday for a wide variety of tasks: Setting up the hall in the afternoon, decorating the tables, cooking, home baking, washing up and general help during the evening, clearing away at 9.30pm, running the bookstall, leading & helping in a small group. If you could help in any way or you wish to give us guests details please contact us on 01357 522277 or email [joan-nekj@hotmail.co.uk](mailto:joan-nekj@hotmail.co.uk)

# Things you should know

## Can everyone see?!?

Without lights we find it hard to see, yet at the moment there is no one in charge of the way that our services are lit.

The right lighting has a huge role in creating the right image and atmosphere that we as a Church wish to portray.

If you feel that you are able to lead the new lighting team or maybe you are able to be a member of the team then contact Colin Marshall.
